Darlene – Im told Gina McCarthy's scheduler has NWF's invite for her to speak at our annual meeting in Baltimore and we are waiting for an answer. Josh Saks and Adam Kolton are contacts for this: [saksj@nwf.org](mailto:saksj@nwf.org). We will talk to Brian Bond about this opportunity on Friday. It would not hurt to have Nancy remind Administrator McCarthy that this is an opportunity to advocate for the waters of the us rule.

Darlene – the reason for that is that im told the Administrator has already been invited and that this is already being wired up at a pretty high level within NWF. But let me see what I can find out about the status of all that.

Nancy Stoner gave me the list of outreach meeting opportunities that you sent her last week. I am trying to follow up on a few and wondered about the NWF meeting in Baltimore in May. There was no point of contact given. Are you by chance the contact person since it's your organization or is someone else handling it?
